Vision and Mission

Our Vision:

We aim that alu smart becomes one of the largest leading companies in aluminum and steel, becomes the optimal choice for our clients in the qatari market and gains their satisfaction and achieves their desires and requirements with keeping pace with the era in terms of development and innovation in executing the projects.

Our Mission:

Our objective is the creation in executing the projects using the modern methods and most advanced equipments and devoting all powers off the work team In order to reach the best rate of performance and high technology within a record time as well as rendering distinguished service for all clients.

Brief History

Alu Smart Aluminum was founded January 2017 with the aim to be the best in the market in developing the design, engineering, fabrication and installation of all types of facade systems and comprehensive range of advanced aluminum curtain wall like conventional, structural and unitized.

The company also specializes in the design, production, and installation of various kinds of glass panels, aluminum doors & windows.

Alu Smart includes a distinguished group of engineering experience, reach to 15 years experience in the aluminum and glass field.

Company Profile

Alu Smart Aluminum products are geared to maintain the high-quality standard and with our excellent project management and sophisticated business concept, we have established a partnership with domestic companies and expanding our market to the Qatar market.

the company's objective is to be competitive in the market and to achieve such a goal, the company has invested in advanced manufacturing machines and other technologies from most developed countries.

excellent management, advanced equipment, and the professional team are the key factors that drive the company in the field, we keep on exploring innovative products while insisting a customer-oriented, sincere and honest business partnership with our clientele.

Products

Services and products

Alu Smart Aluminum Specializes In The Design, Fabrication, And Installation Of The Following Products:

- Curtain Wall, Structural & Conventional Glazing Systems
- Aluminum Windows (Normal & Thermal)
- Aluminum Doors Systems (Normal & Thermal)
- All Type Of Windows 7 Doors (Hinged, Sliding, Tilt & Turn, ... Etc)
- Aluminum Cladding Systems
- Aluminum Glass Partitions
- Frameless Glass Partitions
- Skylights Systems
- Aluminum Handrails
- Steel Handrails
- Busy Iron Fences
- Stainless Steel Handrail
- Stainless Steel Mashrabia
- Steel Structural

International Aluminum Systems

Alu Smart Management

has a good business relationship with the leading aluminum systems supplier related to the deep experience in the executed projects in different companies such as:

SCUCHO	GERMAN	all types of products fabricator and installer
TECHNAL	FRANCE	all types of products fabricator and installer
GUTMANN	GERMAN	all types of products fabricator and installer
BALEXCO	BAHRAIN	all types of products fabricator and installer
ALUMIL	GERMAN	all types of products fabricator and installer
REYNAERS	BELGIUM	all types of products fabricator and installer

alu smart management adopts these systems to keep us with the latest developments and to be able to serve our clients according to their required system.
